

HEALING little HEARTS

benefiting

**Boston
Children's
Hospital**

Until every child is well™

Dear Friend,

Thank you for your consideration in supporting the 9th Annual Healing little Hearts Gala & Auction to benefit Boston Children's Hospital. To date we have raised nearly \$900,000 for the life-saving research being done at Boston Children's Hospital for children born with congenital heart defects. Our final annual gala will take place on March 5, 2016 and our goal is to reach a million dollars! We'd love for you to help us make it happen!

One in every 100 babies is born with a congenital heart defect. As many of you know, our son Brady, now 10 years old, was born with two severe heart defects and has endured over 20 risky procedures including 7 heart surgeries and 4 days on life support. Brady continues to inspire us to make a difference for kids like him.

As part of our final annual Gala and our hopes of reaching the big million we are asking businesses to sponsor our event and we're offering many levels of sponsorship, which I have attached. Would you consider helping Boston Children's Hospital reach the next level of care for kids like Brady? Your generous contribution could make the difference in the lives of so many children.

Thank you for giving hope to little hearts!

With Sincere Thanks,

Marc & Kelly Weglowski
